PNM Home Works Steps for Success

Welcome! Follow the steps to earn up to $150 in educational awards.

1. The day of your presentation alert your scheduler that you received the correct number of kits to activate the first portion of your award. If you need additional kits, contact your scheduler.
2. Send home the *Take Action Kits* and *Family Guides* after the presentation. Encourage installation of kit items to help meet energy learning goals and encourage families to interact with their kits.
3. Set a due date for families to submit their *Home Energy Worksheets* (HEWs) online at ***thinkenergy.org/pnm*** or by mail. Paper copies are in each kit. Provide your teacher ID found in your teacher materials or students can use the online lookup tool.
4. Give each student a color-changing pencil and *Certificate of Achievement* when they return their HEW.

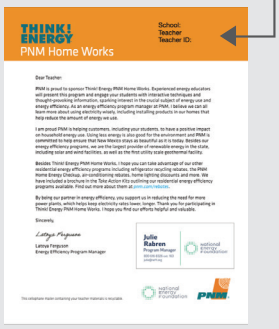

Earn up to $150 in educational awards.

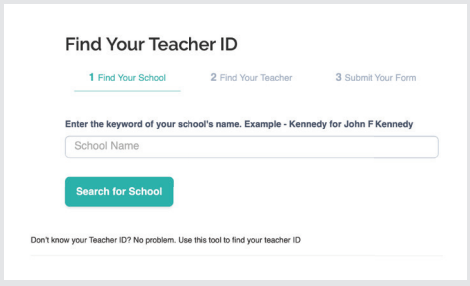

- Earn $50 when you confirm with your scheduler your kits have been distributed.
- Earn up to $100* more when students complete HEWs online at ***thinkenergy.org/pnm*** or on paper.
- Track your award progress online. See your emails for your personal link.

Communicate your teacher ID.

Your teacher ID is here.

Or have students find it online.

*HEW submissions: $100 for 80% or more, $75 for 50% to 79%, $50 for 25% to 49%, $25 for 1% to 24%

Questions?

Visit ***thinkenergy.org/pnm/teachers*** or email your scheduler for more information.
