- ☐ 10+

Program Questions

These questions help us improve Appalachian Power's Bright Kids Program for future classes. We read all of the responses and appreciate your feedback.

11. Were the kit and products easy for you and your student to install and use?

- ☐ Yes
- ☐ No

12. Would you like to see this program continued in local schools?

- ☐ Yes
- ☐ No

Do you have comments about this program you would like to share with Appalachian Power? (favorite aspect, etc.)

Appalachian Power would like to invite you to participate in an optional, brief survey related to your experience with the Bright Kids Program. You may also be contacted with information about how to participate in additional customer programs offered by Appalachian Power. Please select no if you do not wish to be contacted for a future survey.

Parent/guardian: Only an adult should provide the optional information below. Doing so indicates your consent to participate in a survey with this program.

- ☐ Yes
- ☐ No
- ☐ Please send information on other energy saving programs.

Parent/Guardian Name

Phone Number

Email

Items in your kit should be installed only by an adult or with adult supervision.
