Welcome to the Appalachian Power Bright Kids Program

Fun and effective energy education made easy.

1

- Send home the *Parent/Guardian Letter*.
- Let the office know *Bright Kids Kits* are coming. Your kit bags are **orange**.

2

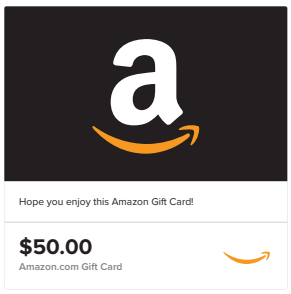

- Show the introductory presentation from the program website, **thinkenergy.org/TakeChargeVA-bk**.
- Send home the *Bright Kids Kits* with your students.

3

- Reward each student with a color-changing pencil when they complete the worksheet at **thinkenergy.org/TakeChargeVA-bk** or on paper.
- Using the postage paid envelope from your teacher materials, return any paper worksheets not submitted online. Online submission of worksheets will process your Amazon eGift Card faster.

Program resources found at **thinkenergy.org/TakeChargeVA-bk**:

- Educational posters
- Online games and e-learning activities

Teachers will receive $50 for 70% or more HEWs submitted.
