

Rewarding Results

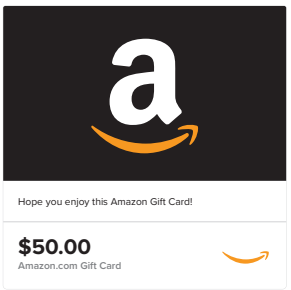

Reward Your Students

- Give each student a color-changing pencil when they complete their *Home Energy Worksheet* (HEW) on paper or online at thinkenergy.org/TakeChargeVA-bk.
- Giving a completion grade or extra credit may encourage students to complete the HEWs.

Reward Yourself

- Earn an educational award of $50 by submitting 70% or more of the HEWs by the date found in your emails.*
- Return paper forms in the provided postage paid envelope.
- Please complete the program evaluation online.
- Funds may support classroom activities.

*Offer available for teachers participating in Appalachian Power's Bright Kids Program. Teachers must submit 70% or more of completed HEWs by the date found in your emails to earn the $50 eGift Card educational award.
